SHRED-IT DAY EVENT MAY 14, 2011

On Saturday May 14 from 9 AM - Noon, we held a Shred-It event at our North Haven branch. Both members and non-members in the community brought boxes and bags of sensitive documents including bills, tax forms, financial statements and paystubs to shred for free. We also shared valuable information on the proper disposal of sensitive documents and avoiding identity theft. Attendees also entered to win a free year of Identity Theft Resolution and Credit Monitoring Service, a \$75 valued service. One lucky winner was selected to receive this free subscription.
