Connex Donates to the Morris F. Tyler Chapter of the Pioneers

North Haven, Conn. (February, 2010) – Connex recently donated \$560.98 to the Morris F. Tyler Chapter of the Pioneers. The money for this donation came from the fees collected by a coin cashing machine in the Connex Hamden Branch. Connex charges a five percent fee to members and a seven percent fee to non-members and donates the money collected to caring organizations in the community.

The Pioneers is comprised of more than 600,000 active and retired employees of telephone companies throughout the United States and Canada. The Connecticut Chapter, with nearly 10,000 volunteers, manages philanthropic projects all over the state, including teaching children the proper use of 9-1-1, the statewide emergency service, building playgrounds at facilities housing troubled children, and repairing beeping baseballs and tape players for the sight-impaired.

“This donation from Connex will go towards eight student scholarships that we award to children and grandchildren of AT&T employees,” says Thomas Weir, President of the Connecticut Morris F. Tyler Chapter of the Pioneers. “We appreciate it. It’s a tough time to give money and every little bit helps.”

About Connex Credit Union:

Connex Credit Union, the fifth largest credit union in Connecticut, is dedicated to improving the financial lives of their members. Connex serves more than 40,000 members and operates 7 branches. They are also a participating member of the Allpoint network, which allows Connex Credit Union members to use 37,000 surcharge-free ATMs throughout the U.S. Anyone who lives, works, or worships in New Haven, Hartford or Middlesex County is eligible to become a member at Connex. For information about Connex, please call 1-800-CR-UNION or visit www.connexcu.org.
