**North Haven, Conn. (February 22, 2011)** Connex recently donated \$772.56 to the North Haven Trail Association. The money for this donation came from the fees collected by a coin cashing machine in the Connex North Haven Branch. Connex charges a five percent fee to members and a seven percent fee to non-members and donates the money collected to caring organizations in the community.

“We are working on the preliminary mapping of trail routes that includes identifying wetlands along the river and working with property owners, the town and the state to establish the best final route,” says Ron Penton, President of North Haven Trail Association. “We’re also putting together a soft walking trail so that people can hike. Your donation will help pay for surveyors, soil scientists and attorneys to eventually pave this trail.”

The North Haven Trail Association has a mission to encourage the development, design and maintenance of trails in the Town of North Haven for the purpose of walking, jogging, bicycling, rollerblading, nature study, canoeing access and other related activities.
