EARLY DISCLOSURE****IMPORTANT TERMS OF OUR HOME EQUITY LINE OF CREDIT PLAN**

This disclosure contains important information about our Home Equity Line of Credit Plan. You should read it carefully and keep a copy for your records.

AVAILABILITY OF TERMS: All of the terms described below are subject to change. If these terms change (other than the annual percentage rate) and you decide, as a result, not to enter into an agreement with us, you are entitled to a refund of any fees that you pay to us or anyone else in connection with your application.

SECURITY INTEREST: We will take a security interest in your home. You could lose your home if you do not meet the obligations in your agreement with us.

POSSIBLE ACTIONS: We can terminate your line, require you to pay us the entire outstanding balance in one payment, and charge you certain fees, if (1) you engage in fraud or material misrepresentation in connection with the plan; (2) you do not meet the repayment terms of this plan, or (3) your action or inaction adversely affects the collateral or our rights in the collateral.

We can refuse to make additional extensions of credit or reduce your credit limit if (1) any reasons mentioned above exist; (2) the value of the dwelling securing the line declines significantly below its appraised value for purposes of the line; (3) we reasonably believe that you will not be able to meet the repayment requirements due to a material change in your financial circumstances; (4) you are in default of a material obligation of the agreement; (5) government action prevents us from imposing the annual percentage rate provided for in the agreement; (6) the priority of our security interest is adversely affected by government action to the extent that the value of the security interest is less than 120 percent of the credit line; (7) a regulatory agency has notified us that continued advances would constitute an unsafe and unsound business practice, or (8) the maximum annual percentage rate is reached.

TAX DEDUCTIBILITY: You should consult a tax advisor regarding the deductibility of interest and charges for the plan.

MINIMUM PAYMENT REQUIREMENTS: You can obtain credit advances for 10 years. This period is called the "draw period." At our option, we may renew or extend the draw period. After the draw period ends the repayment period will begin. The length of the repayment period will be 10 years. During the draw period your monthly payment will equal the finance charges (interest) that accrued on the outstanding balance during the preceding month. Your payment will include any amounts past due and any amount by which you have exceeded your credit limit, and all other charges. At the beginning of the repayment period we will recalculate your payment. Your payment will be set to repay the balance at the current annual percentage rate over 10 years. Each time the annual percentage rate changes, we will adjust your payment to repay the balance within the original 10 years. Your payment will include any amounts past due and any amount by which you have exceeded your credit limit and all other charges.

MINIMUM PAYMENT EXAMPLE: If you made only the minimum monthly payment and took no other credit advances it would take 20 years to pay

off a credit advance of \$10,000 at an **ANNUAL PERCENTAGE RATE** of 3.0%. During that period, you would make 120 payments of \$23.01 to \$25.48, followed by 119 payments of \$96.57 and one (1) final payment of \$96.28.

PROPERTY INSURANCE: You must carry insurance on the property that secures this plan. If the property is located in a Special Flood Hazard Area we will require you to obtain flood insurance if it is available.

REFUNDABILITY OF FEES: If you decide not to enter into this plan within three business days of receiving this disclosure and the home equity brochure, you are entitled to a refund of any fee you may have already paid.

FEES AND CHARGES: You may pay certain fees to third parties to open the plan. These fees generally total between \$0.00 and \$500.00. If you ask, we will provide you with an itemization of the fees you may have to pay third parties.

FEE REIMBURSEMENT: Connex Credit Union will waive your payment of the closing costs for this loan. The fees we waive will be disclosed on the Home Equity Addendum you receive at closing. These costs are out-of-pocket expenses incurred by Connex Credit Union in closing this loan, including, but not limited to, appraisal, title report/insurance, recording fees, and flood certification ("bona-fide third party costs"). You agree to reimburse Connex Credit Union for these bona-fide third party costs if you payoff and close the loan within two (2) years after the closing date of the loan.

TRANSACTION REQUIREMENTS: The minimum credit advance that you can receive is \$500.00 for the first advance and \$500.00 for each subsequent advance.

VARIABLE RATE FEATURE: This plan has a variable rate feature and the annual percentage rate (corresponding to the periodic rate) and the minimum payment may change as a result. The annual percentage rate includes only interest and no other costs. The annual percentage rate is based on the value of an index. The index is the Prime Rate published in the Money Rates column of the *Wall Street Journal*. When a range of rates has been published the highest rate will be used. We will use the most recent index value available to us on the 25th of each month (or the first publication following the 25th) before any annual percentage rate adjustment. To determine the annual percentage rate that will apply to your account, we add a margin to the value of the Index. The initial annual percentage rate may be "discounted" - it is not based on the index and margin used for later rate adjustments. The initial rate, if applicable, will be in effect for 12 months. Ask us for the current index value, margin, discount and annual percentage rate. After you open a plan, rate information will be provided on periodic statements that we send you.

RATE CHANGES: The annual percentage rate can change on the first day of each month. There is no limit on the amount by which the annual percentage rate can change during any one year period. The maximum **ANNUAL PERCENTAGE RATE** that can apply is 18.0% or the maximum permitted by law, whichever is less. However, under no circumstances will your **ANNUAL PERCENTAGE RATE** go below 3.0% at any time

during the term of the plan. Regardless of any statement to the contrary herein, the Credit Union, at its sole discretion, may waive the minimum **ANNUAL PERCENTAGE RATE** from time to time during the term of your plan. Our waiver of the minimum **ANNUAL PERCENTAGE RATE** shall in no way impair our right to impose the minimum rate (APR) at any rate change period as provided herein.

MAXIMUM RATE AND PAYMENT EXAMPLES: If you had an outstanding balance of \$10,000 during the draw period, the minimum payment at the maximum **ANNUAL PERCENTAGE RATE** of 18.0% would be \$152.88. This annual percentage rate could be reached at the time of the 1st payment during the draw period without an initial discount rate and the 13th payment with an initial discount rate. If you had an outstanding balance of \$10,000 during the repayment period, the minimum payment at the maximum **ANNUAL PERCENTAGE RATE** of 18.0% would be \$180.19. This annual percentage rate could be reached at the time of the 1st payment during the repayment period.

MARGIN ADDED TO INDEX: The margin that will apply to your plan will differ if you are required to get Private Mortgage Insurance (PMI). Margins we have charged recently are -.25% for regular plans and +1.75% for the PLUS option which requires PMI. Please ask a loan officer for details on how your margin is determined.

HISTORICAL EXAMPLE: The following tables show how the annual percentage rate and the minimum payments for a single \$10,000 credit advance would have changed based on changes in the index over the past 15 years. The index values are from the last business day of January of each year. While only one payment per year is shown, payments may have varied during each year. The tables assume that no additional credit advances were taken, that only the minimum payments were made, and that the rate remained constant during each year. It does not necessarily indicate how the index or your payments will change in the future.

WALL STREET JOURNAL PRIME RATE INDEX TABLE WITHOUT DISCOUNT

Year (as of the last business day of January)	Index (Percent)	Margin ⁽¹⁾ (Percent)	ANNUAL PERCENTAGE RATE	Monthly Payment (Dollars)
